SHANGRILA DIRECTIONS

Look for this sign at the cross roads, once you pass Kintamany.

Please follow the instructions below

Take the road all the way to **Kintamani**, the volcano town. You have a great view of Lake Batur and Mt Agung from here.

About 5 miles after passing **Kintamani** you will come to a large statue in the middle of a **Y** in the road.

STAY RIGHT at that **Y**, where you see the Statue.

Go about another 8-10 miles you will see a sign toward Bondalem.

Look for our orange *ShangriLa* sign!

The main road will make a left bend and it looks like the main road. The sharp left turn will go down the hill, **but don't go that way**. IF you did, it would take you about 1/2 hour or more out of the way!!!

GO STRAIGHT and do not take the left bend. TAKE the right, smaller road, which lead up a hill, for about 1 mile.

You will come to the top of the hill. You have reached the crest.
From there the road will start going down hill toward the ocean.

After about 10 miles you will reach a **T** in the road at the bottom of the mountain.

Look for our orange sign here as well.

Turn left at that T

At this point, PLEASE call our Guest Service Manager EDY so they will be waiting for you by the street entrance at **ShangriLa**. Your luggage will be picked up for you here.

His Cellphone # number is: **081 – 337 -940- 303**

After your left turn at the **T** drive for another few miles, until you arrive in **BONDALEM**

Watch for a **flashing yellow light** (that is NOT always on!!!!) It is the center of town in Bondalem.

Look for our orange ShangriLa sign.

Turn right at that intersection.

After about one mile you will see two yellow flags on the left side. You can already see the ocean from there.

Park your car on the side of the road. **WELCOME TO SHANGI LA!**
